"We almost lost mom about a year ago. She felt awful pain and pushed her button. Turns out, she was having a heart attack. Thank you, Trinity Health Alert!"

—Anne, Clifton Park

When your system is activated

Press your Trinity Health Alert button 24/7/365 when you need help.

Your information is sent to the emergency response center. An emergency response operator promptly contacts you through the speaker on your device and decides on proper action.

The operator sends the appropriate responder based on your needs - emergency services, caregiver, family member or neighbor.

Experience peace of mind knowing you or a loved one has **access to help 24/7!**

Trinity Health Alert is proud to be your local provider of Personal Emergency Response Systems (PERS)

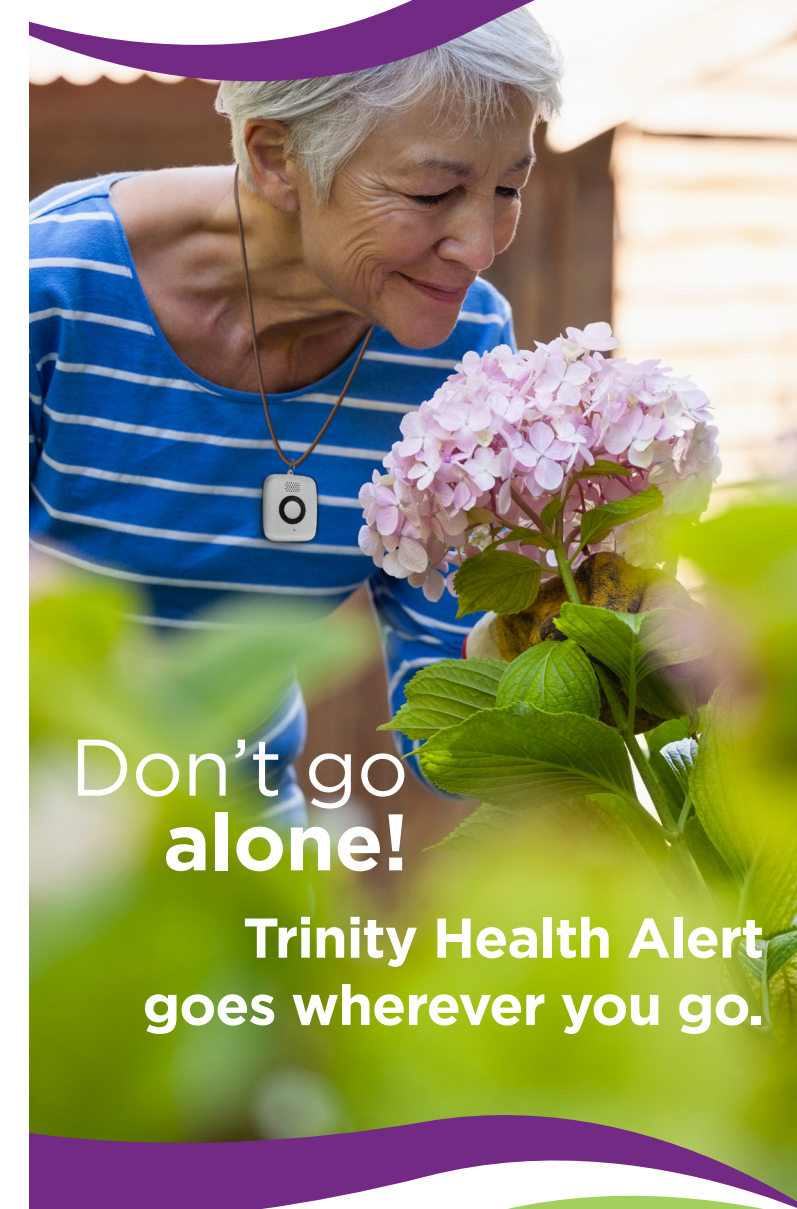

More than 4,000 local community members rely on us for 24/7 access to help.
