

MATERNITY INFORMATION NIGHT

This FREE one-session program is intended for pregnant people who are halfway through their pregnancy. Expectant persons and support persons will learn about the care and services provided in our maternity and newborn units. In addition, presentation will include things for future patients to consider, discuss and decide before they arrive to give birth to their baby.

2021 Schedule

Classes are conducted virtually through WebEx from 6 pm to 8 pm. There will be an opportunity for questions and answers.

- March 11
- April 1
- May 13
- June 3
- July 8
- August 5

Please note that dates are subject to change.

Registration is required. Register online at sphp.com/health-and-wellness/classes-and-events, or call **(518) 525-1388**.
