Paint the Town Teal

On March 30, we will be taking to the streets of Troy to "Paint the Town Teal". Our goal is to highlight Sexual Assault Awareness Month and visually represent the importance of supporting survivors of sexual assault using the color of sexual assault prevention, teal.

To join our team, contact Liz at elizabeth.karam@sphp.com

Sexual Assault Day of Action

April 2 is Sexual Assault Day of Action. Our team will be visiting St. Peter's Health Partners offices to drop-off program materials.

All month long, outreach tables will be set up at St. Peter's Hospital, Samaritan Hospital, and Samaritan-Hospital Albany Memorial Campus. Stop by for resources and information about our program!
