

LACTATION ROOMS

For Colleagues and Visitors at St. Peter's Health Partners

SPHP recognizes the importance and benefits of breastfeeding/chestfeeding for infants and provides lactation rooms for colleagues to support balancing their return to work with their needs as parents of young children. Each room offers a clean, secure, user-friendly environment for parents who need to express breast milk during their work shift.

Lactation rooms are available for visitor use as well.

ALBANY MEMORIAL CAMPUS (Two lactation spaces)

From the Main Lobby take a right at Gift Shop. Turn right, lactation room is third door on left. **OR** Enter ED from west wing elevator lobby area; proceed straight down hall towards ambulance entrance. Then, turn left at end of hallway and the lactation room is the first room on right.

ST. PETER'S HOSPITAL (Two lactation spaces)

Heading toward the cafeteria, last door on the left off of Main Street, Room 1920A. Open to visitors and colleagues. **OR FOR STAFF ONLY** Take Pavilion elevator to the third floor. Exit to the right; don't go down the ramp, but rather head the other direction. The room is located within the entrance/ waiting room to 3 Pavilion; last door on the right before you ring the buzzer to enter.

ST. MARY'S CAMPUS

On the first floor, take the second left upon entering the main doors. Follow signs for "Lactation Room." Open to visitors and colleagues.

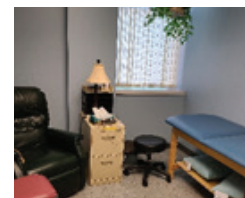

SUNNYVIEW REHABILITATION HOSPITAL

Former hair salon, first floor across from Nursing Administration (Room 147). (Please check the doorknob is not locked before leaving the room. Thank you!) Additional rooms are available for colleague use. Colleagues will need to contact their manager for the location of the available lactation room on the particular day(s) needed.

SAMARITAN HOSPITAL

A Mamava location pod is located in the Robison Lobby for colleague and visitor use. The pod is accessible via the Mamava app or simply use code: 9111. Lights/fan are activated by locking the door.

OR Room T401 is available for **STAFF USE ONLY**. Take elevators (outside of Gift Shop) to 4th floor. Take a right out of elevator, enter through the double doors (they are unlocked), first door on the right.
