A History and Mission of Service

For more than 112 years, the men and women of St. Mary's Auxiliary have worked together to achieve its mission: promoting, supporting and engaging in activities with special concern for the needs of the poor and medically underserved. We are committed to building on a shared vision and a mutual call to stewardship, striving to promote a healthy and just society.

The Auxiliary operates Rose's Gift Gallery at St. Mary's Campus. The gift shop is staffed by volunteers and offers a wide variety of flowers, unique gifts, and snacks. In addition to serving staff and visitors, the gift shop is an important source of income to benefit the Auxiliary.

The Auxiliary also supports several community activities including:

- Local food pantries
- Street Soldiers - a program to help feed the homeless
- Annually donating hundreds of winter hats and gloves to various organizations

St. Mary's Auxiliary is proud to have Molly Sue, a therapy dog, as a member. Molly Sue and her owner visit the Hildegard Medicus Cancer Center on Thursdays to provide companionship to patients. During other events, Molly Sue can be seen passing out healthy snacks and putting a smile on patients', visitors', and employees' faces.

Volunteer Opportunities

In addition to assisting with Auxiliary-sponsored activities and events, many of our members are also active volunteers at St. Mary's Campus, assisting at the information desk, serving as a greeter, or performing other vital tasks. Schedules are flexible, and we are sure to find a spot for you to utilize your talents and develop new skills, while enjoying the spirit of giving that characterizes our volunteers. For more information, please call the volunteer coordinator at **(518) 271-3336**.

Benefits

St. Mary's Auxiliary is a place where friendships are forged and people connect in both social and service settings. There are opportunities to work on committees, assist with special projects, serve on the Auxiliary's governing board, and to help with other programs in a variety of capacities. Our members also enjoy time to socialize – at picnics, parties, social outings, holiday events, and special occasions. We encourage fellowship and welcome both auxiliarians and guests to join in these special events.
